Proposals for Election of Board Members and Auditors and Resolution regarding Fees to the Board Members and the Auditors (items 10-13 on the agenda)

At the AGM 2016, the Nomination Committee will, in connection with the election of Board members and auditors and the resolutions regarding fees to the Board members and the auditors, present and motivate the below proposals and also report on its activities. In connection with the notice, the reasoned statement of the Nomination Committee will be held available at the company website, www.securitas.com/agm2016.

The Nomination Committee has proposed the following:

The number of Board members shall be six, with no deputy members. The Nomination Committee proposes re-election of the Board members Fredrik Cappelen, Carl Douglas, Marie Ehrling, Alf Göransson and Sofia Schörling Högberg, and election of Anders Böös as new Board member. Marie Ehrling is proposed as new Chairman of the Board. Melker Schörling, Annika Falkengren

and Fredrik Palmstierna have declined re-election. It is the ambition of the Nomination Committee to complement its proposal with the nomination of an additional female Board member before the Annual General Meeting on 4 May 2016. In such case, the Nomination Committee's proposal is that the number of Board members shall be seven.

Anders Böös is a Board member of Investment AB Latour (publ), Stronghold AB, Newsec AB and Tundra Fonder AB. He has previous experience as CEO of H&Q AB and Drott AB, as Chairman of the Board of IFS AB (publ) and Cision AB (publ), and as member of the Board of among others Haldex AB and Niscayah AB.

Information about the proposed Board members is available on the company website www.securitas.com.

As auditors, the Committee proposes the re-election of the auditing firm PricewaterhouseCoopers AB, with authorized public accountant Patrik Adolfson as auditor in charge, for a period up to and including the AGM for 2017. The auditor's fees are proposed to be paid as per agreement.

Fees to the Board members (assuming seven Board members) for the period up to and including the AGM 2017 shall amount to SEK 4 660 000 in total (including fees for committee work) to be distributed between the Board members as follows: the Chairman of the Board shall receive SEK 1 300 000, the Deputy Chairman shall receive SEK 775 000 and each of the other Board members, except the President, shall receive SEK 515 000. As consideration for the committee work, the Chairman of the Audit Committee shall receive SEK 250 000 the Chairman of the Remuneration Committee shall receive SEK 100 000, the members of the Audit Committee each SEK 125 000 and the members of the Remuneration Committee each SEK 50 000.

Proposal for Election of Members of the Nomination Committee (item 14 on the agenda)

Shareholders jointly representing approximately 25 per cent of the shares and approximately 48 per cent of the votes in the company propose the AGM to adopt the following resolution:

The Nomination Committee ahead of the AGM 2017 shall have five members: Carl Douglas (Investment AB Latour, etc.), Mikael Ekdahl (Melker Schörling AB), Jan Andersson (Swedbank Robur Fonder), Johan Sidenmark (AMF) and Johan Strandberg (SEB Investment Management). Carl Douglas shall be elected Chairman of the Nomination Committee. If a shareholder, represented by a member of the Nomination Committee, is no longer one of the major shareholders of Securitas, or if a member of the Nomination Committee is no longer employed by such shareholder, or for any other reason leaves the Committee before the AGM 2017, the Committee shall have the right to appoint another representative of the major shareholders to replace such member.

Proposal for Guidelines for Remuneration to Senior Management (item 15 on the agenda)

The Board's proposal for guidelines for remuneration to senior management principally entails that the total remuneration shall be competitive and in accordance with market conditions. The benefits shall consist of fixed salary, possible variable remuneration, other customary benefits and pension. The variable remuneration shall have an upper limit and be related to the fixed salary. The variable remuneration shall be based on the outcome in relation to set targets and be in line with the interests of the shareholders. Pension benefits shall be fee-based and pension rights shall be applicable as from the age of 65, at the earliest. The variable remuneration shall not be pension

qualifying unless local regulations provide otherwise. The Board shall have the right to deviate from the guidelines in individual cases if there are particular grounds for such deviation.

Proposal for Authorization of the Board to Resolve on Acquisition of the Company's Own Shares (item 16 on the agenda)

The Board proposes that the AGM 2016 authorizes the Board to resolve upon acquisition of the company's own shares of Series B according to the following terms: (i) acquisition of shares may take place on Nasdaq Stockholm, (ii) acquisition of shares may take place on one or several occasions during the time up to the AGM for 2017, (iii) acquisition of shares may only be made so that the shares held by the company at any point in time does not exceed ten (10) percent of all shares in the company, (iv) acquisition of shares shall be made at a price which falls within the prevailing price interval registered at each point in time, meaning the interval between the highest purchase price and the lowest selling price, (v) payment for acquired shares shall be made in cash, and (vi) the Board should be authorized to decide upon any additional terms for the acquisition. The purpose of the proposed authorization to acquire shares is to allow the Board to adjust the company's capital structure, to contribute to shareholder value. If shares are repurchased, the Board intends to propose that the company's share capital shall be decreased through share reduction of the repurchased shares.

A decision by the AGM on the proposal according to this item 16 must be supported by shareholders representing at least two thirds of the votes cast as well as the shares present at the AGM in order for the proposal to be adopted.

Proposal for Incentive Scheme (item 17 on the agenda)

Background and Motives

For the past six years, the AGM has adopted a share related incentive scheme for the Securitas' Group. The Board notes that the program is now well established throughout the organization and is delivering the expected results. As per March 2016, a total of 2 053 employees have received shares through the program. In line with the Board's communicated intention when the previous programs were proposed, the Board therefore proposes that a similar incentive scheme be adopted by the AGM in 2016.

The motive for the proposal is the Board's intention to continue with the redesigned bonus structure to enable the Group to gradually have approximately 2 500 of Securitas top managers as shareholders, thus strengthening the employee ownership in Securitas' future success and development to the benefit of all shareholders. The Board is of the opinion that these benefits may be achieved by continuing to provide a share related part in the existing performance-based cash bonus schemes. It is the assessment of the Board that the proposed scheme will also increase the Group's attractiveness as an employer.

The proposal principally entails that 1/3 of any annual bonus earned under the performance based cash bonus schemes would be converted into a right to receive shares, with delayed allotment and subject to continued employment.

a. Implementation of an Incentive Scheme

The Board proposes that the AGM resolves on a share and cash bonus scheme for 2016 (the "Incentive Scheme") in accordance with the following main principles. Approximately 2 500 Securitas employees who participate in the Securitas cash bonus schemes will participate in the Incentive Scheme and thereby be entitled to receive a part of the yearly bonus in the form of

shares in Securitas, provided that certain predetermined and measurable performance targets, which apply also under the cash bonus schemes, are met.

The principles already applicable under the existing incentive scheme shall continue to apply. The existing principles include clearly measurable, performance based targets that are set as close to the local business as possible and aim for long term profitability of the Group. The performance targets vary depending on the position of the employee, but are as a principle based on year-on-year improvement of operating income ("EBITA") in the area of responsibility. In principle all operative personnel at relevant levels in all regions also have targets based on improvement of cash flow. For the employees of the parent company, the performance is measured based on year-on-year improvement of earnings per share ("EPS"). The performance improvement compared to last year's actual performance which is required to achieve maximum bonus, varies for different entities throughout the Group.

Page 5 of 7

Provided that the applicable performance criteria are met, the yearly bonus will be determined at the outset of 2017 and be payable by (i) 2/3 in cash at the outset of 2017 and (ii) 1/3 in shares of series B (the "Bonus Shares") at the outset of 2018. The number of shares to which each participant will be entitled shall be determined by the ratio between the available bonus and the average share price at which the shares are purchased (such purchase to be made during Q1 2017 in accordance with applicable regulations). Distribution of Bonus Shares in accordance with (ii) is subject to the following two conditions: (1) if the total accrued bonus amounts to less than EUR 3 900, the whole bonus will be paid out in cash in accordance with (i) above, and (2) the employee must remain employed by Securitas as of the last day of February 2018 except where an employee has left his/her employment due to retirement, death or long-term disability, in which case the employee shall have a continued right to receive Bonus Shares.

Prior to the distribution of Bonus Shares, the employee will not be awarded any shareholder rights (e.g. voting rights or rights to dividend) connected to the Bonus Shares. At distribution of the Bonus Shares, the employee shall, however, be entitled to additional shares up to a value corresponding to any dividend decided per share corresponding to the total number of Bonus Shares during the period from payment of the cash bonus until distribution of the Bonus Shares, adjusted to the closest number of whole shares that can be purchased for the dividend for each participant. The Board shall be entitled to resolve on a reduction of the distribution of Bonus Shares if distribution in accordance with the above conditions – considering Securitas' result and financial position, other circumstances regarding the Group's development and the conditions on the stock market – would be clearly unreasonable. Participation in the Incentive Scheme presumes that such participation is lawful and that such participation in Securitas' opinion can take place with reasonable administrative costs and economic efforts. The Board shall however be entitled to implement an alternative incentive solution for employees in such countries where participation in the Incentive Plan is not advisable, which alternative solution shall, as far as practically possible, correspond to the terms of the Incentive Scheme.

The Board shall be responsible for the particulars and the handling of the Incentive Scheme within the frame of the above principal guidelines and shall also be entitled to make such minor adjustments which may prove necessary due to legal or administrative circumstances.

b. Hedging Measures

In order to enable the delivery of Bonus Shares in accordance with the Incentive Scheme, the Board of Directors proposes that the AGM, similar to previous years, approves the hedging of the delivery of the shares to the employees by Securitas entering into a share swap agreement with a third party, whereby the third party in its own name shall acquire and transfer shares in the

company to employees participating in the scheme. The cost for the swap is estimated at SEK 450 000 assuming the same bonus amount as last year.

Resolutions and Voting Majority

The proposals according to (a) and (b) above shall be adopted as one single resolution and must be supported by shareholders representing more than half of the votes cast, or, in case of equal voting, by the opinion supported by the Chairman of the AGM.

Effect on Important Key Ratios

The number of shares in Securitas AB amounts to 365 058 897. The Incentive Scheme may lead to acquisition of a maximum of 2 000 000 shares, which is equivalent to 0.55 per cent of the total number of outstanding shares and 0.39 per cent of the total number of votes in Securitas. In view of the proposed swap agreement, there will be no impact on the earnings per share, other than the increased costs that the Incentive Scheme could cause.
