Securitas AB held 475,000 treasury shares as per February 7, 2022.

### Proposal on record date for dividend

As record date for dividend, the Board has proposed May 9, 2022. If the Annual General Meeting so resolves, the dividend is expected to be distributed by Euroclear Sweden AB starting May 12, 2022.

### The Board's statement on the proposed dividend

The Board hereby issues the following statement regarding proposed allocation of earnings pursuant to Chapter 18, Section 4 of the Swedish Companies Act.

The Company's unappropriated earnings as per December 31, 2021 amount to SEK 19 739 400 980. The net income for the year amounts to SEK 1 980 312 787 of which SEK 733 810 962 is related to Group contributions to subsidiaries and SEK -5 354 094 is the result of financial instruments being valued pursuant to Chapter 4, Section 14a of the Swedish Annual Accounts Act.

The Company's equity would have been SEK 23 165 879 lower as per December 31, 2021, if financial instruments, having been valued at fair value pursuant to Chapter 4, Section 14a of the Swedish Annual Accounts Act, had instead been valued at the lower of cost or market.

At the disposal of the Annual General Meeting is thereby a total amount of SEK 21 719 713 767 in unappropriated earnings before the decision on dividend for 2021.

Provided that the 2022 Annual General Meeting resolves to allocate the earnings in accordance with the Board's proposal, SEK 20 115 544 620 will be carried forward. After distribution of the proposed dividend and Group contributions, there will be full coverage for the Company's restricted equity.

In view of the proposed dividend, the Board has considered the Company's and the Group's consolidation requirements and liquidity through a comprehensive assessment of the financial position of the Company and the Group, as well as the possibilities of the Company and the Group to discharge its obligations in the long term. The proposed dividend and the Group contributions to subsidiaries does not jeopardize the Company's ability to make the investments that have been deemed necessary. The Company's financial position does not give rise to any other assessment than that the Company can continue its operations and that the Company is expected to comply with its obligations in a short as well as long term perspective. In addition to the assessment of the Company's consolidation requirements and liquidity, the Board has also taken into consideration all other known circumstances that may impact the Company's financial position.

With reference to the above, the Board makes the assessment that the proposed dividend and the Group contributions are justifiable considering the requirements that the nature, scope and risks of the operations pose on the size of the Company's and the Group's equity as well as the Company's and the Group's consolidation requirements, liquidity and position in general.
