The Board proposes that the AGM 2018 authorizes the Board to resolve upon acquisition of the company's own shares of Series B according to the following terms: (i) acquisition of shares may take place on Nasdaq Stockholm, (ii) acquisition of shares may take place on one or several occasions during the time up to the AGM for 2019, (iii) acquisition of shares may only be made so that the shares held by the company at any point in time does not exceed ten (10) per cent of all shares in the company, (iv) acquisition of shares shall be made at a price which falls within the prevailing price interval registered at each point in time, meaning the interval between the highest purchase price and the lowest selling price, (v) payment for acquired shares shall be made in cash, and (vi) the Board should be authorized to decide upon any additional terms for the acquisition. A decision by the AGM on the proposal according to this item 16 must be supported by shareholders representing at least two thirds of the votes cast as well as the shares present at the AGM in order for the proposal to be adopted.

Proposal for Incentive Scheme (item 17 on the agenda)

Consistent with the last eight years, the Board proposes a share related incentive program (the "Incentive Scheme") for the Group shall be resolved by the AGM 2018, in accordance with the following main principles.

a. Implementation of an Incentive Scheme

Approximately 2,500 Securitas employees who participate in Securitas' cash bonus schemes will be comprised by the Incentive Scheme and thereby be entitled to receive a part of the yearly bonus in the form of shares in Securitas, provided that certain predetermined and measurable performance targets, which apply also under the cash bonus schemes, are met. These vary depending on the employee's position, but are in principle based on a year-on-year improvement of operating income or, for employees of the parent company, earnings per share.

Provided that the applicable performance criteria are met, the yearly bonus will be determined at the outset of 2019 and be payable by (i) 2/3 in cash at the outset of 2019 and (ii) 1/3 in shares of series B (the "Bonus Shares") at the outset of 2020. The number of shares to which each

participant will be entitled shall be determined by the ratio between the available bonus and the average share price at which the shares are purchased (such purchase to be made during Q1 2019 in accordance with applicable regulations). Distribution of Bonus Shares in accordance with (ii) is subject to the following two conditions: (1) if the total accrued bonus amounts to less than EUR 3,900, the whole bonus will be paid out in cash in accordance with (i) above, and (2) the employee must remain employed by Securitas as of the last day of February 2020 except where an employee has left his/her employment due to retirement, death or long-term disability, in which case the employee shall have a continued right to receive Bonus Shares.

At distribution of the Bonus Shares, the employee shall be entitled to additional shares up to a value corresponding to any dividend decided per share corresponding to the total number of Bonus Shares during the period from payment of the cash bonus until distribution of the Bonus Shares, adjusted to the closest number of whole shares that can be purchased for the dividend for each participant.

The Board shall be responsible for the particulars and the handling of the Incentive Scheme within the frame of the above principal guidelines and shall also be entitled to make such minor adjustments which may prove necessary due to legal or administrative circumstances.

b. Hedging Measures

In order to enable the delivery of Bonus Shares in accordance with the Incentive Scheme, the Board of Directors proposes that the AGM, similar to previous years, approves the hedging of the delivery of the shares to the employees by Securitas entering into a share swap agreement with a third party, whereby the third party in its own name shall acquire and transfer shares in the company to employees participating in the scheme. The cost for the swap is estimated at SEK 700,000 assuming the same bonus amount as last year.

Resolutions and Voting Majority

The proposals according to (a) and (b) above shall be adopted as one single resolution and must be supported by shareholders representing more than half of the votes cast, or, in case of equal voting, by the opinion supported by the Chairman of the AGM.

Effect on Important Key Ratios

The number of shares in Securitas AB amounts to 365,058,897. The Incentive Scheme may lead to acquisition of a maximum of 2,000,000 shares, which is equivalent to 0.55 per cent of the total number of outstanding shares and 0.39 per cent of the total number of votes in Securitas. In view of the proposed swap agreement, there will be no impact on the earnings per share, other than the increased costs that the Incentive Scheme could cause.

C. Available Documentation etc.
