Securitas strengthens its technology offering in Belgium

Page 1 of 1

Securitas has acquired the security and critical communications systems integrator SAIT in Belgium. The seller is the investment company Crescent. Enterprise value is estimated to MSEK 126 (MEUR 13.8).

SAIT is operating in the areas of wireless networks, physical security solutions and data integrity. The company is focusing on delivering advanced technological security solutions supported by critical and secure networks in customer segments such as industry, public transport, government, police, defense, maritime, telecom and cities. SAIT has 80 employees and annual sales of approximately MSEK 228 (MEUR 25).

With this acquisition, Securitas will strengthen its technology offering in Belgium and the position as the leading security solutions company. The acquisition creates a possibility to enter new customer segments markets, e.g. police, defense and cities, and to develop new security service offerings.

The acquisition is consolidated in Securitas as of November 1, 2014.
